

# HEALTH AND SAFETY INSPECTION AND RELEASE FORM

NORTH DAKOTA DIVISION OF COMMUNITY SERVICES

SFN 59494 (3/12)

A visual assessment of your home will include, but is not limited to, mold & moisture, asbestos, wiring problems, occupant health conditions, pests, and other health and safety concerns. The weatherization program may not be able to use funds to take care of these problems but needs to inform the occupants.

- There is no mold visibly present at the time of the assessment.
- There is mold visibly present at the time of the assessment in the following locations:

Moldy or musty odors are an indicator that there may be hidden mold growth.

Moldy or Musty Odors

Are Present

Are not Present

- After interviewing the occupants, the following health conditions were noted:

## Other Hazards Identified

- No other hazards identified.
- The following other hazards have been identified:

Agency Auditor

Date

I have received information concerning the possible hazards in my home and I will take steps to reduce and correct any hazards identified. I agree to hold the Weatherization Assistance Program harmless for any future hazards that are not associated with the weatherization work. I have also received a copy of "A Citizen's Guide to Radon."
