

2020 HOME PROGRAM DISTRIBUTION STATEMENT

The Department of Housing and Urban Development (HUD) has designated the State of North Dakota as a Participating Jurisdiction (PJ) and as such it may apply for and distribute HOME funds. The agency responsible for administration of the North Dakota HOME Program is the Department of Commerce, Division of Community Services (DCS).

This is a description of how the state plans to distribute FY 2020 HOME funds and administer its program. The plan demonstrates consistency with the goals identified in the state's Consolidated Plan (CP). Accordingly, the state will use its HOME funds for the following activities to help meet the identified housing needs:

- Rehabilitation of Owner-occupied and Rental Property
- Acquisition, New Construction, Site Improvements, or Demolition Linked to a Project
- Homebuyer Assistance
- Administrative Costs

TIMELY PRODUCTION AND OCCUPANCY OF ASSISTED HOUSING

The 2013 Final Rule revised a number of commitment and completion deadlines and imposed new occupancy deadlines:

- **HOME projects must be completed within 4 (four) years of commitment.** Any project that is not completed in a timely manner will be terminated and PJs will be required to repay HOME funds drawn. [*§92.205(e)(2)*]
- **HOME-assisted rental units must be occupied by income-eligible households within 18 months of project completion.** If not, PJs must repay HOME funds for the vacant units. (Note: for units that remain vacant for six months following completion, the PJ must identify and develop an enhanced marketing plan and report this information to HUD). [*§92.252*]
- **A homebuyer unit must have a ratified sales contract within nine months of construction completion.** The PJ and Subrecipients must either convert the unit to a HOME rental property or repay the full HOME investment. [*§92.254(a)(3)*]

ALTERNATIVE FORMATS FOR DISABLED
PERSONS ARE AVAILABLE UPON REQUEST

- **The Consolidated Appropriations Act of 2019 (PL 116-6) temporarily suspended the Community Development Housing Organization (CHDO) 24-month commitment requirement for set-aside funds to specific projects (Section 231(b)). The suspension applies to 2018-2021 CHDO funds.**
 - **This appropriation act also continues the temporary suspension of the regular HOME funds 24-month commitment requirement to specific projects for 2016-2021 funds. The Consolidated Appropriations Act of 2020 (PL 116-94) added 2022 to the years covered by the suspension.**
 - **Both commitment requirements are suspended through December 31, 2022.**
- **CHDO Fund Set-Aside**
 - **PJs shall reserve not less than fifteen percent (15 percent) of the grant for projects to be developed, sponsored, or owned by community housing development organizations.**
 - **If after 24 months those funds are not committed, PJs may elect to use the funds for any HOME project and are no longer restricted to CHDO projects.**
 - **Uncommitted CHDO set-aside funds at the end of the 24 month period may be reprogrammed to other eligible HOME activities, subject to procedures established by HUD.**
- **The PJ can no longer “reserve” CHDO funds for future projects identified at a later date. [*§92.2 Commitment, §92.300(a)(1)*]**
- **Since FY 2015 appropriations, HOME funds have a period of 9 (nine) fiscal years until expiration. This period is based on 4 (four) fiscal years during which HUD may obligate funds to the PJ (i.e. period of availability in the appropriation act) plus the 5 (five) year expenditure deadline beginning after the last day of the month in which HUD notifies the PJ of HUD’s execution of the HOME Investment Partnership Agreement for a specific fiscal year allocation. Any funds that are not expended before this deadline will be deobligated by HUD. This nine-year period is determined annually by Congress, which generally begins when Congress appropriates the Federal funds to HUD. [*§92.500(d)(1)(A) and (C), and §92.500(d)(2)*]**

DISTRIBUTION PLAN

The state will administer its program through Subrecipients, non-and-for-profits, and CHDOs. The HOME Program funds will be allocated to Subrecipients through a non-competitive set-aside. The non-and-for-profit and CHDO category will be competitive and receives awards based on scoring criteria. If CHDO funds remain, the DCS may open the second round of CHDO applications, at its discretion, accepted from CHDOs only.

Applicants new to the HOME Program are required to partner with an experienced developer, sponsor, or consultant (i.e., someone with completed projects and operating successfully).

A CHDO must have a history of serving the community within which housing to be assisted with HOME funds is to be located. In general, an organization must be able to show one year of serving the community before HOME funds are reserved for the organization and have demonstrated capacity for carrying out housing projects assisted with HOME funds. [§92.2]

The state may reallocate funds based on high demand, a natural disaster, or other determinations where performance-based measures have not been met. Uncommitted CHDO set-aside funds at the end of the 24 month period may be reprogrammed to other eligible HOME activities, subject to procedures established by HUD.

State program income, repayments, and recaptured funds received by DCS will be allocated, at our discretion, for any project or activity, in the proceeding program year and committed before any HOME funds are drawn from the Treasury account, except for the funds in the Treasury account that are required to be reserved, in accordance with the HUD Interim Final Rule for the HOME program published 12/2/2016 and 24 CFR Part 92.503.

HOME Goals and Eligible Activities

The HOME Program focuses on 3 (three) major housing needs:

1. Single-family Homeowner Rehabilitation – Community Action Agencies
2. Rental Production and Rehabilitation – CHDOs and Non-and-For-Profit Developers
3. Homebuyer Down Payment Assistance – Grand Forks Community Land Trust

Each of these housing needs is considered a high or medium priority need for the use of HOME funds. These needs are addressed and prioritized locally by set-asides, determined by the DCS, to their recipients and Subrecipients. Each Subrecipient delivers the HOME Program in their region, city, or multiple regions. Each year, the state will review the needs and completed goals to determine if goals will be updated based on the new developments that create changing housing needs around the state.

HOME Performance Measures

The state collects performance data on the state's in-house HOME Program data collection system. Recipients and Subrecipients are required to report performance data for all activities.

Performance data reporting consists of entering one of three objectives for the program:

1) Create a Suitable Living Environment; 2) Provide Decent Affordable Housing; and 3) Create Economic Opportunities. In addition, the following appropriate outcomes are also required: Availability/Accessibility, and Affordability, or Sustainability. Based on the objectives and outcomes selected, the system will populate the specific output indicators for each activity. DCS will then enter this information on HUD's Integrated Disbursement and Information System (IDIS).

**** IMPORTANT NOTICE ****

Please visit the DCS HOME program website for updates on application due dates and the opening of the funding round.

SECTION I

Subrecipients

All recipients are expected to locally meet the HOME Program match requirement of 25 percent (25%) unless specifically waived by the DCS. Existing general waivers include a state policy that homeowner rehabilitation and tenant-based rental assistance (TBRA) activities are excluded from the match requirement. All estimated match must be reported at project application and finalized before final draw.

Only HOME assistance forms listed in Part 92.205(b) will be allowed. Applicants should use private funds, tax credits, Rural Development, Federal Home Loan Bank, Community Development Block Grant, North Dakota Housing Incentive Fund, Department of Energy, Housing Trust Fund, or other grant/loan programs to help leverage HOME activities.

Additional match sources not identified by close-out in IDIS must be reported throughout the period of affordability. **Match source data must be submitted to the DCS no later than July 15th of each year.**

Subrecipient Set-Aside

HOME funds will be set aside for seven community action agencies and the Grand Forks Community Land Trust. These funds will be utilized to complete activities in their jurisdiction that are consistent with the State's Consolidated Plan and identified as priorities for their areas. **The completed HOME Annual Application Plan must be submitted to DCS no later than August 1, 2020.**

Subrecipient Definition

A Subrecipient is defined as a public agency or non-profit organization selected by the PJ to administer all or some of the PJ's HOME programs to provide homeowner rehabilitation or homebuyer assistance. A public agency or non-profit organization that receives HOME funds solely as a developer or owner of a housing project is not a Subrecipient. The PJ's selection of a Subrecipient is not subject to the procurement procedures and requirements.

Community Action Agency (CAA) Set-Aside

CAAs can no longer transfer funds from one activity to another (e.g., rehab funds to multi-family project). Funds not used for originally approved purpose must be returned to DCS.

Eligible activities can include all necessary **rehabilitation** required to bring an existing owner-occupied home up to the HOME property standards as defined in 92.251(b) and the North Dakota State Building Code (or locally amended North Dakota State Building Code). All rehab work must meet all applicable state and local code requirements. When rehabilitation is selected as a regional priority, neither the estimated value of the house prior to rehabilitation or the after-rehab value of the housing shall exceed 95 percent of the median purchase price for a single-family residence (single-family residence, condominium unit, cooperative unit, or combination manufactured home and lot) as defined by HUD. Each homeowner will be required to sign a Housing Rehabilitation Program Homeowner Agreement that is determined on the amount of

funds provided to the homeowner. In addition, all homeowners must sign the Community Action Agency’s policy stating the Community Action Agency’s right to walk away from a project. Homeowners must also sign a restrictive land use covenant prior to work beginning or a final LURA at project completion.

Please note that no choice limiting actions may be taken and no construction activities may begin until the Site Specific Checklist has been completed, and the DCS has issued the Release of Funds.

The period of affordability is as follows:

HOME Assistance Per Unit	Minimum Period of Affordability
Single-family Homeowner Rehabilitation	5 yrs.

The terms of the agreement for repayment may allow for a pro-rata reduction of the recapture amount in monthly increments. Below is an example of a five-year plan:

Month	Recapture										
1	100%	11	83.3%	21	66.6%	31	50.0%	41	33.3%	51	16.6%
2	98.3%	12	81.6%	22	65.0%	32	48.3%	42	31.6%	52	15.0%
3	96.6%	13	80.0%	23	63.3%	33	46.6%	43	30.0%	53	13.3%

10	85.0%	20	68.3%	30	51.6%	40	35.0%	50	18.3%	60	1.6%

When housing rehabilitation is selected, each CAA must develop Homeowner Rehabilitation Guidelines (HRG). The HRG must be submitted with their application and contain the following:

- a. The criteria used to determine applicant eligibility based on income as defined by either Part5/Section 8 annual income or adjusted gross income as defined for reporting on IRS Form 1040, assets, ownership, occupancy, and location. Any priorities which are used to select households for assistance (e.g., households with income less than 50 percent of median annual income) along with how the income information will be verified;
- b. The types of property or properties eligible for assistance (e.g., single-family unit, condominium unit, mobile home/manufactured home [permanent foundation on private lot], and cooperative unit);
- c. Provide a description of any type of homeowner contribution required (cash, labor, or materials);
- d. A description of how you will inspect for HOME property standards as defined in 92.251(b). Assurance that all work complies with the North Dakota State Building Code (or a locally amended North Dakota State Building Code). Also include how your agency will assure that newly constructed housing meets the current edition of the Model Energy Code, Uniform Building Code, and Uniform Mechanical Code;

- e. Define how you will meet lead-based paint regulations of section §92.355 and 24 CFR Part 35;
- f. Describe the minimum and maximum amount of assistance allowed along with the terms of the assistance. Indicate what will happen if a house cannot be brought up to HOME property standards with the maximum investment;
- g. Describe how you will assure that no more than the necessary amounts of HOME Program funds are invested in any one project (Layering);
- h. Specify the form of financial assistance in which HOME funds are provided (e.g. grant or deferred-payment loan);
- i. Address special requirements for reconstruction or rehabilitation of manufactured housing units as set forth in section §92.251(e);
- j. Describe the process for written construction documents and cost estimates as required by 92.251(b)(2), contractor selection to ensure cost reasonableness, and inspections and approvals of work as required by 92.251(b)(3);
- k. Define the staff, owner, and contractor roles and responsibilities. Include a grievance procedure for applicants and disputes between an owner and a contractor;
- l. Provide a statement that outlines your conflict of interest policy in Section II, HOME Statement of Assurances; and
- m. Describe the homeowner counseling services that are available to each client.

Grand Forks Community Land Trust (GF CLT) Homebuyer Down Payment Assistance Set-Aside

- a. Assistance may only be provided to homebuyers whose income (Section 8 definition) does not exceed 80 percent (80%) of the median for the area.
- b. Assisted housing may be either a single-family dwelling, condominium, cooperative unit, or manufactured housing.
- c. The Subrecipient must demonstrate compliance with the DCS homebuyer guidelines and performs sound underwriting of the homebuyer's ability to afford and sustain homeownership.
- d. All homebuyers assisted under the HOME program must receive housing counseling that is performed by a certified housing counselor who has passed the HUD certification examination and is employed by a HUD-approved housing counseling agency prior to receiving homebuyer assistance as required at 24 CFR 254(a)(3).
- e. The DCS will determine which level of environmental review (CEST or CENST) and procedures that will be required for the homebuyer project according to 24 CFR Part 58 definitions and the procedures and in 24 CFR 92.352.

- Homebuyer acquisition providing only down payment assistance are Categorically Excluded but Not Subject to Other Federal Laws and Authorities (CENST) as long as the project meets one of the following criteria:
 - Activities to assist homebuyers to purchase an existing dwelling unit or dwelling units under construction, including closing costs and down payment assistance. *These units must be constructed or under construction at the time of application.
 - The ONLY activities that can be initiated prior to the DCS releasing funds are costs associated with program administration, project delivery cost necessary to determine eligibility and underwrite the household, contracting for preliminary architectural/engineering fees, and costs associated with the environmental review process.
 - For all other activities, Subrecipients cannot obligate or incur costs or draw down funds until the environmental review requirements are satisfied, and the DCS has released funds to the project.
- f. If only acquisition assistance (downpayment assistance) is provided, the property must meet the Uniform Physical Condition Standards (UPCS) and all applicable State and local housing quality standards, habitability standards, and code requirements at the time of initial occupancy as required at 92.251(c)(3).
 - g. If the project includes acquisition assistance and rehabilitation, the property must be free from health or safety hazards before occupancy and within six months of the transfer of ownership and meet all applicable State and local housing quality standards and code requirements. The housing must not contain the specific deficiencies proscribed by HUD based on the applicable inspectable items and inspected areas in HUD-prescribed physical inspection procedures (UPCS) issued pursuant to 24 CFR 5.705.
 - h. The housing must comply with HUD's Lead Safe Housing Regulations. All lead-based paint hazards must be identified and subsequently addressed (reduced) per the regulations of section §92.355 and 24 CFR Part 35.
 - i. The GF CLT must inspect the housing and document this compliance based upon an inspection that is conducted no earlier than 90 days before the commitment of HOME assistance. If the housing does not meet these standards, the housing must be rehabilitated to meet these standards, or it cannot be acquired with HOME funds. New construction must conform to all local building code requirements.
 - j. A certified appraisal is required **prior to acquisition** to determine the initial purchase price. Neither the purchase price nor the appraised value of a HOME assisted property may exceed 95 percent of the area median sales price, as determined by HUD for the county where the home is located.
 - k. The minimum HOME assistance is \$1,000 per unit.

- l. Property must be occupied as a principal residence by the homebuyer and subsequent low-income buyers throughout the Affordability Period. No subleasing is allowed. The GF CLT must monitor and verify primary residency of the homebuyer on an annual basis for the affordability period. The most current utility statement, proof of paid taxes, and homeowner's insurance are acceptable documentation.
- m. During grant monitoring of the GF CLT, the DCS will review deed restrictions, covenants attached to the land, mortgages, or other similar mechanisms placed on the HOME-assisted property to ensure the provisions being used are in accordance with those stated in the written agreement with the GF CLT.

Recapture Requirements for Homebuyer Downpayment Assistance

DCS will impose the recapture provisions for all homebuyer assistance that will include a direct subsidy to an eligible homebuyer. In order to ensure the period of affordability, any of the entities who have elected to provide homebuyer assistance are required to specify their recapture provisions. The recapture provisions will be included in their written agreement with the DCS.

In the event that an eligible homebuyer receives homebuyer assistance for a property owned by the CLT and/or no HOME homebuyer subsidy is available, the CLT will impose the previously published HOME Resale Provisions.

Required Recapture Provisions

Recapture provisions must ensure that the PJ recoups all or a portion of the HOME assistance to the homebuyers if the housing is no longer the principal residence of the family during the period of affordability (see Period of Affordability Table). The HOME investment subject to recapture is based on the amount of HOME assistance that enabled the homebuyer to buy the dwelling unit. This includes any HOME assistance that reduced the purchase price from fair market value to an affordable price (direct subsidy) but excludes the amount between the cost of producing the unit and the market value of the property (i.e., the development subsidy). The direct subsidy may include down payment assistance, closing costs, or any other HOME assistance provided directly or indirectly to the homebuyer to enable the homebuyer to purchase the home. The period of affordability is based upon the total amount of initial HOME funds subject to recapture.

The recapture provisions must be assured so that the unit remains affordable through deed restrictions, covenants attached to the land, mortgages, or other similar mechanisms. The DCS and GF CLT will execute an agreement with each homebuyer to specify the affordability requirements to enable DCS to retain the authority to enforce them.

- Should the homeowner be noncompliant and fail to occupy the home as principal residence during the Affordability Period but refuses to resell the home to a subsequent low-income homebuyer, the GF CLT must enforce full repayment of the original amount of the buyer subsidy covered by the recapture provisions.
- Should the homeowner be noncompliant and fail to occupy the home as principal residence during the Affordability Period, and the home is resold to a subsequent homebuyer that is not low-income and not approved by the GF CLT, the GF CLT must

enforce recapture provisions, requiring repayment on a pro-rata basis, subject to net proceeds, as calculated below.

- Should the homeowner be noncompliant and fail to occupy the home as principal residence during the Affordability Period, and the home is resold to a subsequent low-income homebuyer approved by the GF CLT with no additional HOME assistance provided, recapture provisions will be enforced, requiring the subsequent low-income homebuyer to assume the remainder of the POA in effect and the principal residence requirement, as initially determined by the GF CLT based on the amount of HOME investment in the unit.

The GF CLT is permitted to assist the subsequent low-income homebuyer in purchasing the housing. The additional HOME homebuyer assistance must be treated as an amendment to the original project and will be combined with their assumption of the existing note to determine the new POA and execute a new (replacement) note for the total assistance.

- The GF CLT will follow the recapture option in 24 CFR 92.254(a)(5)(ii)(A)(2) which allows for recapturing a reduced amount during the affordability period. The GF CLT will require the minimum affordability period based on the amount of the direct home subsidy. Beginning in year one, the recapturable amount of the HOME investment will be reduced on a pro-rata basis, as long as the homeowner continues to own and occupy the unit. (For instance, if the affordability period is ten years and the owner occupies the unit for six years, then 6/10ths (60%) of the recapture amount will be forgiven, and 40% of the direct home subsidy amount will be recaptured.)
- If the net proceeds (sale price minus loan repayment, other than HOME funds, and seller's closing costs) are not sufficient to recapture the HOME investment and enable the homeowner to recover the amount of the homeowner's investment (the amount of their down payment), the HOME recapture amount will be set as follows:

$$\frac{\text{HOME Investment}}{\text{HOME Investment} + \text{Homeowner Investment}} \times \text{Net Proceeds} = \text{HOME Recapture Amount}$$

$$\frac{\text{Homeowner Investment}}{\text{HOME Investment} + \text{Homeowner Investment}} \times \text{Net Proceeds} = \text{Amount to Homeowner}$$

- Should the homeowner remain in the unit but elects to pay off the outstanding balance of the HOME loan, the owner is still subject to principal residence requirements for the remainder of the Affordability Period.
 - Repayment of the HOME loan does not terminate the affordability period.
- Should the homeowner default and the lender foreclose, the requirements of the GF CLT is dependent upon the Affordability Period surviving the foreclosure or not, when determining how to proceed with compliance of the recapture and resale provisions. The GF CLT must work with the DCS if such circumstances arise.

The GF CLT may also adopt recapture provisions that differ from the model provisions in the HOME regulations. The particular recapture provision adopted (whether one of the models or an alternate approach) requires specific approval by the DCS and HUD.

Period of Affordability

The recapture provisions are in effect for a period of affordability. This period is based on the amount of direct HOME subsidy to the buyer, as follows:

HOME Down Payment Assistance to Homebuyer	Minimum Period of Affordability
Less than \$15,000	5 yrs.
\$15,000 - \$40,000	10 yrs.
More than \$40,000	15 yrs.

Administration

The State (as the PJ) and Subrecipients are allowed to receive HOME money for administrative expenses. These costs may not exceed ten percent of the entire HOME allocation for North Dakota.

Recaptured Funds

The recaptured funds must be returned to DCS to be used to carry out HOME-eligible activities.

Open Funds

Unobligated performance funds may be reallocated to other Subrecipients that can demonstrate: 1) all prior year awards are fully committed; 2) an unmet need in their service region; 3) are ready to proceed; and 4) have the capacity to spend the funds in a timely manner.

Subrecipients that have expended and drawn down 75 percent (75%) of their 2020 grant award may be eligible for additional Open Funds. **These agencies may submit a Request for Amendment to their existing grant award, after January 2, 2021.**

CHDO and Non-and-For-Profit Developers

All CHDO and non-and-for-profit beneficiaries are expected to locally meet the HOME Program match requirement of 25 percent (25%), unless specifically waived by the DCS. Existing general waivers include a state policy that homeowner rehabilitation activities are excluded from the match requirement.

Only the forms of HOME assistance listed in Part 92.205(b) are allowed. Applicants should also use private funds, tax credits, Rural Development, Federal Home Loan Bank, CDBG, North Dakota Housing Incentive Fund, Department of Energy, Housing Trust Fund or other grant/loan programs to help leverage HOME activities.

Submission of the HOME Rental Development and Rehabilitation Applications are due by

September 1, 2020. The approval of applications for CHDOs and non-and-for-profit developers will be a competitive process. If CHDO reserve funds remain, the DCS may at its discretion, open a second competitive round of applications to be accepted from CHDOs only.

The second round of CHDO applications may open on January 15, 2021 and are due to the DCS by February 15, 2021. The HOME Rental Development and Rehabilitation Application can be found at:

<http://www.communityservices.nd.gov/uploads/9/HOMERentalApplicationwithProformawithDCR.xls>

The HOME Program Underwriting Standards can be found at:

<http://www.communityservices.nd.gov/uploads/9/HomeUnderwriting.pdf>

The HOME Rental Development and Rehabilitation Application must be submitted with attachments that include the following:

- a. Compliance with Section II HOME Statement of Assurances;
- b. Supporting documentation for Section III Scoring Criteria;
- c. Address special requirements for new construction, reconstruction or rehabilitation and how you will inspect for HOME property standards as defined in 92.251(a)(b)(c)(f). Assurance that all work complies with the North Dakota State Building Code (or a locally amended North Dakota State Building Code). Also include how your agency will assure that newly constructed housing meets the current edition of the Model Energy Code, Uniform Building Code, and Uniform Mechanical Code;
- d. Describe how you will assure that no more than the necessary amounts of HOME Program funds are invested in the project (Layering) as set forth in section §92.250;
- e. Provide evidence of the amount and form of matching contribution as set forth in section §92.220;
- f. Describe the process for written construction documents and cost estimates, contractor selection to ensure cost reasonableness, and inspections and approvals of work as required by 92.251;
- g. The criteria used to determine that the HOME-assisted units are occupied by households that are eligible as low-income families and meet the requirements of 92.252 to qualify as affordable housing; and
- h. All other requested appendices and documentation not listed herein.

Owner

Rental housing is considered “owned” if the housing organization is the owner in fee simple absolute of multifamily, or single-family housing (or has a long-term ground lease) for rental to low-income families in accordance with §92.252. If the housing is to be rehabilitated or constructed, the housing organization must prove internal capacity, or hire and oversee the developer that rehabilitates or constructs the housing. At minimum, the housing organization

must hire or contract with an experienced project manager to oversee all aspects of the development, including: 1) obtaining zoning, 2) securing non-HOME financing, 3) selecting a developer or general contractor, 4) overseeing the progress of the work, and 5) determining reasonable costs. The housing organization must own the rental housing during development and for a period at least equal to the period of affordability in §92.252. If the housing organization acquires housing that meets the property standards in §92.251, the organization must own the rental housing for a period at least equal to the period of affordability in §92.252.

Developer

Rental housing is “developed” by a housing organization if: 1) the housing development organization is the owner of multifamily or single family housing in fee simple absolute (or has a long term ground lease) and 2) the housing developer of new housing that will be constructed, or existing substandard housing that will be rehabilitated for rent to low-income families in accordance with §92.252. To be the “housing developer,” the housing organization must be in sole charge of all aspects of the development process, including obtaining zoning, securing non-HOME financing, selecting architects, engineers, and general contractors, overseeing progress of the work, and determining reasonable costs. At a minimum, the housing development organization must own the housing during development, and for a period at least equal to the period of affordability in §92.252.

Sponsor (CHDO only)

Rental housing is “sponsored” by a CHDO if the CHDO “developed” the rental housing project and agrees to convey details of the project to an identified, private nonprofit organization at a predetermined time after completion of the development of the project. Sponsored rental housing is subject to the following requirements:

- The private non-profit organization may not be created by a governmental entity;
- The HOME funds must be provided to the entity that owns the project;
- The HOME funds must be invested in the project that is owned by the CHDO;
- Before commitment of HOME funds, the CHDO sponsor must select the private non-profit organization that will obtain ownership of the property;
- The private non-profit organization assumes the CHDO’s HOME obligations (including any repayment of loans) for the rental project at a specified time after completion of development; and
- If the housing is not transferred to the private non-profit organization, the CHDO organization sponsor remains responsible for the HOME assistance and the HOME project.

Community Housing Development Organization (CHDO)

Eligible applicants include community-based non-profit 501(c)(3), 501(c)(4), or 905 (subordinate organization of a 501(c) organization) organizations with the mission statement that identifies decent, affordable housing to low and moderate-income persons.

The DCS will certify non-profit organizations that meet defined criteria as CHDOs in the HOME Investment Partnerships Program Final Rule Subpart A, §92.2. The fiscal year CHDO Certification applications are due to the DCS by June 15th of each year or with submission of a HOME Rental Development Application, whichever occurs first.

In addition, these organizations must meet and satisfactorily demonstrate the prescribed requirements. DCS will be using the HUD guidance on CHDO qualifications. CHDO's are also eligible to participate in non-CHDO housing activities. **CHDOs must demonstrate to the DCS that their certification status is maintained during each year of the period of affordability (POA) of a rental development project.**

Up to ten percent (10%) of the CHDO set-aside may be used for pre-development loans to assist specific projects at the discretion of DCS. Per 92.301 these loans can be used for technical assistance and site control, and seed money loans. The CHDO must repay the loan to the PJ from construction loan proceeds or other project income, or the loan may be combined with the subsequent CHDO project funding. The PJ may waive repayment of the loan, in part or in whole, if there are impediments to project development that the PJ determines are reasonably beyond the control of the borrower. Pre-development loan repayments must be sent to the DCS. The repaid funds will be added to the next FY allocation.

CHDO Definition - A non-profit organization that:

- (1) Is organized under state or local laws;
- (2) Has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual;
- (3) Is neither controlled by, nor under the direction of, individuals or entities seeking to derive profit or gain from the organization. A CHDO may be sponsored or created by a for-profit entity, but:
 - (i) The for-profit entity may not be an entity whose primary purpose is the development or management of housing, such as a builder, developer, or real estate management firm;
 - (ii) The for-profit entity may not have the right to appoint more than one-third of the membership of the organization's governing body. Board members appointed by the for-profit entity may not appoint the remaining two-thirds of the board members;
 - (iii) The CHDO must be free to contract for goods and services from vendors of its own choosing; and
 - (iv) The officers and employees of the for-profit entity may not be officers or employees of the CHDO.
- (4) Has a tax exemption ruling from the Internal Revenue Service under section 501(c)(3) or (4) of the Internal Revenue Code of 1986 (26 CFR 1.501(c)(3)-1 or 1.501(c)(4)-1)), is classified as a subordinate of a central organization non-profit under section 905 of

the Internal Revenue Code of 1986, or if the private non-profit organization is a wholly owned entity that is disregarded as an entity separate from its owner for tax purposes (e.g., a single member limited liability company that is wholly owned by an organization that qualifies as tax-exempt), the owner organization has a tax exemption ruling from the Internal Revenue Service under section 501(c)(3) or (4) of the Internal Revenue Code of 1986 and meets the definition of “CHDO;”

- (5) Is not a governmental entity (including the PJ, other jurisdiction, Indian tribe, public housing authority, Indian housing authority, housing finance agency, or redevelopment authority) and is not controlled by a governmental entity. An organization that is created by a governmental entity may qualify as a CHDO; however, the governmental entity may not have the right to appoint more than one-third of the membership of the organization's governing body and no more than one-third of the board members may be public officials or employees of governmental entity. Board members appointed by a governmental entity may not appoint the remaining two-thirds of the board members. The officers or employees of a governmental entity may not be officers or employees of a CHDO;
- (6) Has standards of financial accountability that conform to 24 CFR 84.21, “Standards for Financial Management Systems;”
- (7) Has among its purposes the provision of decent housing that is affordable to low-income and moderate-income persons, as evidenced in its charter, articles of incorporation, resolutions or by-laws;
- (8) Maintains accountability to low-income community residents by:
 - (i) Maintaining at least one-third of its governing board's membership for residents of low-income neighborhoods, other low-income community residents, or elected representative of low-income neighborhood organizations. For urban areas, “community” may be a neighborhood or neighborhoods, city, county or metropolitan area; for rural areas, it may be a neighborhood or neighborhoods, town, village, county, or multi-county area (but not the entire state); and
 - (ii) Providing a formal process for low-income program beneficiaries to advise the organization in its decisions regarding the design, siting, development, and management of affordable housing;
- (9) Has a demonstrated capacity for carrying out housing projects assisted with HOME funds. A designated organization undertaking development activities as a developer or sponsor must satisfy this requirement by having paid employees with housing development experience, who will work on projects assisted with HOME funds. For its first year of funding as a CHDO, an organization may satisfy this requirement through a contract with a consultant who has housing development experience to train appropriate key staff of the organization. An organization that will own housing must demonstrate capacity to act as owner of a project and meet the requirements of §92.300(a)(2). A non-profit organization does not meet the test of demonstrated capacity based on any person who is a volunteer or whose services are donated by another organization; and

- (10) Has a history of serving the community within which housing to be assisted with HOME funds is to be located. In general, an organization must be able to show one year of serving the community before HOME funds are reserved for the organization. However, a newly created organization formed by local churches, service organizations or neighborhood organizations may meet this requirement by demonstrating that its parent organization has at least one year of serving the community.

Non-and-For-Profit Developers

Note: Non-and-for-profits are not required to be designated CHDOs to apply for DCS HOME Program funding, but funding for such projects will not be toward meeting the CHDO set-aside requirement.

Non-and-for-profits can participate in the HOME Program as owners or developers of multi-family housing. The non-and-for-profit must not be disqualified from any program administered by DCS or under debarment, proposed debarment or suspension by a federal agency.

The non-and-for-profit must be able to demonstrate technical expertise of staff and other project partners in housing production and management and meet the following criteria:

- The non-and-for-profit has successfully administered (this means following all the cross-cutting requirements, such as: Davis Bacon, Section 3, and Contract Compliance) at least one (1) HOME, CDBG, or NSP funded development of similar nature and scope;

or

- Has a proven track record in affordable housing development and project management for a minimum period of five (5) years prior to the application submission date; and
- Documented capacity to carry out the long-term rental compliance responsibilities associated with the development through the period of affordability.

Section II

HOME Statement of Assurances

Other Federal requirements and nondiscrimination

- (a) The Federal requirements set forth in 24 CFR part 5, subpart A, are applicable to participants in the HOME program. The requirements of this subpart nondiscrimination and equal opportunity; disclosure requirements; debarred, suspended or ineligible contractors; and drug-free workplace.
- (b) The nondiscrimination requirements at section 282 of the Act are applicable. These requirements are waived in connection with the use of HOME funds on lands set aside under the Hawaiian Homes Commission Act, 1920 (42 Stat. 108).
- (c) The Violence Against Women Act (VAWA) requirements set forth in 24 CFR part 5, subpart L, apply to all HOME tenant-based rental assistance and rental housing assisted with HOME funds as applied by 24 CFR 92.359. The core statutory protections of VAWA that prohibit denial or termination of assistance or eviction solely because an applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking became applicable upon enactment of VAWA. Compliance with VAWA regulatory requirements applied by 24 CFR 92.359 and 24 CFR part 5, subpart L, are required for any tenant-based rental assistance or rental housing project. The PJ and Subrecipient further acknowledges that, despite its name, VAWA provisions apply without regard to an individual's sex, gender identity, or sexual orientation.
- (d) Consultant Activities. No person providing consultant services in an employer-employee type relationship shall receive more than a reasonable rate of compensation for personal services paid with HOME funds. In no event, however, shall such compensation exceed the limits in effect under the provisions of any applicable statute (e.g., annual HUD appropriations acts which have set the limit at the equivalent of the daily rate paid for Level IV of the Executive Schedule, see the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1997, Pub. L. 104-204 (September 26, 1996)). Such services shall be evidenced by written agreements between the parties which detail the responsibilities, standards, and compensation. Consultant services provided under an independent contractor relationship are not subject to the compensation limitation of Level IV of the Executive Schedule.

Affirmative Marketing; Minority Outreach Program

- (a) *Affirmative marketing.*
 - 1. Each PJ must adopt and follow affirmative marketing procedures and requirements for rental and homebuyer projects containing five or more HOME-assisted housing units. Affirmative marketing requirements and procedures also apply to all HOME-funded programs, including, but not limited to, TBRA and downpayment assistance programs. Affirmative marketing steps consist of actions to provide information and otherwise attract eligible persons in the housing market area to the available housing without regard to race, color, national origin, sex, religion, familial status, or disability. If PJ's written agreement with the project owner permits the rental housing project to limit

tenant eligibility or to have a tenant preference in accordance with §92.253(d)(3), the PJ must have affirmative marketing procedures and requirements that apply in the context of the limited/preferred tenant eligibility for the project.

2. The affirmative marketing requirements and procedures adopted must include:
 - a) Methods for informing the public, owners, and potential tenants about Federal fair housing laws and the PJ's affirmative marketing policy (e.g., the use of the Equal Housing Opportunity logotype or slogan in press releases and solicitations for owners, and written communication to fair housing and other groups);
 - b) Requirements and practices each Subrecipient and owner must adhere to in order to carry out the PJ's affirmative marketing procedures and requirements (e.g., use of commercial media, use of community contacts, use of the Equal Housing Opportunity logotype or slogan, and display of fair housing poster);
 - c) Procedures to be used by Subrecipients and owners to inform and solicit applications from persons in the housing market area who are not likely to apply for the housing program or the housing without special outreach (e.g., through the use of community organizations, places of worship, employment centers, fair housing groups, or housing counseling agencies);
 - d) Records that will be kept describing actions taken by the PJ and by Subrecipients and owners to affirmatively market the program and units and records to assess the results of these actions; and
 - e) A description of how the PJ will annually assess the success of affirmative marketing actions and what corrective actions will be taken where affirmative marketing requirements are not met.
3. A State that distributes HOME funds to units of general local government must require each unit of general local government to adopt affirmative marketing procedures and requirements that meet the requirement in paragraphs (a) and (b) of this section.

(b) *Minority outreach.* A PJ must prescribe procedures acceptable to HUD to establish and oversee a minority outreach program within its jurisdiction to ensure the inclusion, to the maximum extent possible, of minorities and women, and entities owned by minorities and women, including, without limitation, real estate firms, construction firms, appraisal firms, management firms, financial institutions, investment banking firms, under-writers, accountants, and providers of legal services, in all contracts entered into by the participating jurisdiction with such persons or entities, public and private, in order to facilitate the activities of the PJ to provide affordable housing authorized under this Act or any other Federal housing law applicable to such jurisdiction. Section 85.36(e) of this title describes actions to be taken by a PJ to assure that minority business enterprises and women business enterprises are used when possible in the procurement of property and services.

Affirmative Marketing Guidance

The DCS will take the following actions to provide information to attract eligible persons from all racial, ethnic, and gender groups in the housing market area that is assisted by HOME funding.

All correspondence, notices and advertisements related to the HOME Program, must contain the Equal Housing Opportunity logo or slogan.

Participants in the HOME Program will be required to use affirmative fair housing marketing practices in soliciting renters or buyers, determining their eligibility, and concluding all transactions. Any HOME-assisted housing must comply with the following procedures for the required compliance period, depending on the program used:

- (a) Owners advertising vacant units must include the equal housing opportunity logo and/or slogan. Wherever a phone number is provided, there must also be a TDD/TTY phone number, or equivalent, provided. The Relay North Dakota TDD number is 800-366-6888, Voice Users 1-800-366-6889, and Spanish Users 1-800-435-8590. This service is free of charge. Recently the number “711” has been approved by the FCC for use in contacting the relay service. This number works for both TTY and voice telephones and while it is applicable in most states, you are still required to list the “800” numbers presented above. Advertising media may include newspapers, radio, televisions, brochures, leaflets, or a sign in a window. In addition, owners will be required to have written communication to Fair Housing organizations.
- (b) The owner will be required to solicit applications for vacant units from persons in the housing market who are least likely to apply for the HOME-assisted housing without the benefit of special outreach efforts. In general, persons who are not of the race or ethnicity of the residents of the neighborhood in which the rehabilitated building is located shall be considered those least likely to apply. Special outreach efforts will include contacts with CAAs, human service centers and county social service offices.
- (c) The owner must maintain a file containing all marketing efforts (e.g., copies of newspaper ads, memos of phone calls, copies of letters, etc.) and the records to assess the results of these actions are to be available for inspection by the DCS.
- (d) The owner shall maintain a listing of all tenants residing in each unit from the time of application through the end of the compliance period.

The DCS will assess the affirmative marketing efforts of the owner by comparing predetermined occupancy goals (based upon the area from which potential tenants will come) to actual occupancy data that the owner is required to maintain. The owner's outreach efforts will also be evaluated by reviewing marketing efforts. The DCS will assess these efforts by use of a compliance certification or a personal monitoring visit to the project at least annually.

Where an owner fails to follow the affirmative marketing requirements, corrective actions shall include extensive outreach efforts to appropriate contacts to achieve the occupancy goals or other sanctions that the DCS may deem necessary. In addition, owners will be counseled as to affirmative marketing requests. In the event they continue to be in non-compliance, they may not be allowed to receive future HOME funds.

All units of local government that receive HOME funds must submit affirmative marketing procedures they have adopted to the DCS.

Environmental Review

(a) *General.* The environmental effects of each activity carried out with HOME funds must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321) and the related authorities listed in HUD's implementing regulations at 24 CFR parts 50 and 58. The applicability of the provisions of 24 CFR part 50 or part 58 is based on the HOME project (new construction, rehabilitation, acquisition) or activity (TBRA) as a whole, not on the type of the cost paid with HOME funds.

(b) *Responsibility for review.*

1. The jurisdiction (e.g., the PJ or State recipient) or insular area must assume responsibility for environmental review, decision making, and action for each activity that it carries out with HOME funds, in accordance with the requirements imposed on a recipient under 24 CFR part 58. No funds may be committed to a HOME activity or project before the completion of the environmental review and approval of the request for release of funds and related certification, except as authorized by 24 CFR part 58.
 2. A State PJ must also assume responsibility for approval of requests for release of HOME funds submitted by State recipients.
 3. HUD will perform the environmental review, in accordance with 24 CFR part 50, for a competitively awarded application for HOME funds submitted to HUD by an entity that is not a jurisdiction.
- **Completion of the environmental review process is MANDATORY before taking ANY action on a specific site or making a commitment or expenditure of HUD or any other non-HUD project funds for property acquisition or transfer, rehabilitation, conversion, lease, repair, inhabiting a property or construction activities. 24 CFR Part 58.22 describes limitations on activities pending clearance as (a) neither a Subrecipient nor any participant in the development process, including public or private non-profit or for-profit entities, or any of their contractors, may commit HUD or non-HUD assistance under a program listed in 58.1(b) on an activity or project until HUD has approved the Subrecipient's Request Release of Funds (RROF) and the DCS has issued the certification to use HOME funds to the Subrecipient. This certification will come in a letter through email addressed to the Subrecipient's contact person. If a violation occurs resulting in adverse environmental impact or limiting the choice of reasonable alternatives during this vital step in the NEPA process, funds will not be able to be utilized for the site that violated NEPA.**
 - **NOTE: A choice limiting action is ANY action done prior to the certification being issued by the DCS. This is not an all-inclusive list of choice limiting actions: acquisition, purchase, moving tenants or homebuyers into property, rehabilitation, groundwork, lease, repair, demolition, landscaping, etc. The Subrecipient is to use "due diligence" that a violation does not occur during this step of the NEPA process or the funds will be lost to the project site.**

- The ONLY activities that can be initiated prior to the DCS releasing funds are costs associated with program administration, project delivery cost necessary to determine eligibility and underwrite the household, contracting for preliminary architectural/engineering fees, and costs associated with the environmental review process. Keep in mind, even these exempt costs can only occur after the effective date of the contract. No costs incurred or obligated prior to the contract effective date are allowable HOME costs and could result in the loss of the Subrecipient's HOME award. When a Subrecipient spends money on these exempt costs, they are taking a financial risk because if the environmental review concludes that a site is not eligible, the Subrecipient will not be reimbursed for those costs spent.
- **For all other activities, Subrecipients cannot obligate or incur costs or draw down funds until the environmental review requirements are satisfied, and the DCS has released funds to the project.**
- Each HOME activity or project must have a written record of the environmental review process that documents the steps taken for the project that completed the NEPA process according to rules and authorities. **This is the Environmental Review Record (ERR), which must be available for public review.**

Displacement, Relocation, and Acquisition

- (a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, the PJ must ensure that it has taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted with HOME funds. To the extent feasible, residential tenants must be provided a reasonable opportunity to lease and occupy a suitable, decent, safe, sanitary, and affordable dwelling unit in the building/complex upon completion of the project.
- (b) *Temporary relocation.* The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:
1. Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly rent/utility costs.
 2. Appropriate advisory services, including reasonable advance written notice of:
 - a) The date and approximate duration of the temporary relocation;
 - b) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;
 - c) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex upon completion of the project; and
 - d) The provisions of paragraph (b)(1) of this section.

(c) *Relocation assistance for displaced persons—*

1. *General.* A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4201-4655) and 49 CFR part 24. A “displaced person” must be advised of his or her rights under the Fair Housing Act and, if the comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, the minority person also must be given, if possible, referrals to comparable and suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

2. *Displaced Person.*

For purposes of paragraph (c) of this section, the term *displaced person* means a person (family individual, business, nonprofit organization, or farm, including any corporation, partnership or association) that moves from real property or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted with HOME funds. This includes any permanent, involuntary move for an assisted project, including any permanent move from the real property that is made:

- a) After notice by the owner to move permanently from the property, if the move occurs on or after:
 - 1) The date of the submission of an application to the PJ or HUD, if the applicant has site control and the application is later approved; or
 - 2) The date the jurisdiction approves the applicable site, if the applicant does not have site control at the time of the application; or
- b) Before the date described in paragraph (c)(2)(a) of this section, if the jurisdiction or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project; or
- c) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:
 - 1) The tenant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition and the move occurs before the tenant is provided written notice offering the tenant the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building/complex upon completion of the project under reasonable terms and conditions. Such reasonable terms and conditions must include a term of at least one year at a monthly rent and estimated average monthly utility costs that do not exceed the greater of:
 - (i) The tenant's monthly rent before such agreement and estimated average monthly utility costs; or

(ii) The total tenant payment, as determined under 24 CFR 5.628, if the tenant is low-income, or 30 percent of gross household income, if the tenant is not low-income;

2) The tenant is required to relocate temporarily, does not return to the building/complex, and either:

(i) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation; or

(ii) Other conditions of the temporary relocation are not reasonable; or

3) The tenant is required to move to another dwelling unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(i) Notwithstanding paragraph (c)(2) of this section, a person does not qualify as a *displaced person* if:

- The person has been evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable federal, State or local law, or other good cause, and the PJ determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance. The effective date of any termination or refusal to renew must be preceded by at least 30 days advance written notice to the tenant specifying the grounds for the action.
- The person moved into the property after the submission of the application but, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, incur a rent increase), and the fact that the person would not qualify as a “displaced person” (or for any assistance under this section) as a result of the project;
- The person is ineligible under 49 CFR 24.2(g)(2); or
- HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(ii) The jurisdiction may, at any time, ask HUD to determine whether a displacement is or would be covered by this rule.

(d) *Initiation of negotiations.* For purposes of determining the formula for computing replacement housing assistance to be provided under paragraph (c) of this section to a tenant displaced from a dwelling as a direct result of private-owner rehabilitation, demolition or

acquisition of the real property, the term *initiation of negotiations* means the execution of the agreement covering the acquisition, rehabilitation, or demolition.

- (e) *Optional relocation assistance.* The PJ may provide relocation payments and other relocation assistance to families, individuals, businesses, nonprofit organizations, and farms displaced by a project assisted with HOME funds where the displacement is not subject to paragraph (c) of this section. The jurisdiction may also provide relocation assistance to persons covered under paragraph (c) of this section beyond that required. For any such assistance that is not required by State or local law, the jurisdiction must adopt a written policy available to the public that describes the optional relocation assistance that it has elected to furnish and provides for equal relocation assistance within each class of displaced persons.
- (f) *Residential antidisplacement and relocation assistance plan.* The PJ shall comply with the requirements of 24 CFR part 42, subpart C.
- (g) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements of 49 CFR part 24, subpart B.
- (h) *Appeals.* A person who disagrees with the PJ's determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person may be eligible, may file a written appeal of that determination with the jurisdiction. A low-income person who is dissatisfied with the jurisdiction's determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

Labor

- (a) General.
 - 1. Every contract for the construction (rehabilitation or new construction) of housing that includes 12 or more units assisted with HOME funds must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 3141), to all laborers and mechanics employed in the development of any part of the housing. Such contracts must also be subject to the overtime provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. 3701).
 - 2. The contract for construction must contain these wage provisions if HOME funds are used for any project costs in §92.206, including construction or nonconstruction costs, of housing with 12 or more HOME-assisted units. When HOME funds are only used to assist homebuyers to acquire single-family housing, and not for any other project costs, the wage provisions apply to the construction of the housing if there is a written agreement with the owner or developer of the housing that HOME funds will be used to assist homebuyers to buy the housing and the construction contract covers 12 or more housing units to be purchased with HOME assistance. The wage provisions apply to any construction contract that includes a total of 12 or more HOME-assisted units, whether one or more than one project is covered by the construction contract. Once they are determined to be applicable, the wage provisions must be contained in the construction contract so as to cover all laborers and mechanics employed in the development of the

entire project, including portions other than the assisted units. Arranging multiple construction contracts within a single project for the purpose of avoiding the wage provisions is not permitted.

3. PJs, contractors, subcontractors, and other participants must comply with regulations issued under these acts and with other Federal laws and regulations pertaining to labor standards, as applicable. PJs shall be responsible for ensuring compliance by contractors and subcontractors with labor standards described in this section. In accordance with procedures specified by HUD, PJ shall:
 - 1) Ensure that bid and contract documents contain required labor standards provisions and the appropriate Department of Labor wage determinations;
 - 2) Conduct on-site inspections and employee interviews;
 - 3) Collect and review certified weekly payroll reports;
 - 4) Correct all labor standards violations promptly;
 - 5) Maintain documentation of administrative and enforcement activities; and
 - 6) Require certification as to compliance with the provisions of this section before making any payment under such contracts.
- (b) *Volunteers*. The prevailing wage provisions of paragraph (a) of this section do not apply to an individual who receives no compensation or is paid expenses, reasonable benefits, or a nominal fee to perform the services for which the individual volunteered and who is not otherwise employed at any time in the construction work. See 24 CFR part 70.
- (c) *Sweat equity*. The prevailing wage provisions of paragraph (a) of this section do not apply to members of an eligible family who provide labor in exchange for acquisition of a property for homeownership or provide labor in lieu of, or as a supplement to, rent payments.

Lead-Based Paint

Housing assisted with HOME funds is subject to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at part 35, subparts A, B, J, K, M and R of this title.

Conflict of Interest

- (a) *Applicability*. In the procurement of property and services by PJ, State recipients, and Subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, apply. In all cases not governed by 24 CFR 85.36 and 24 CFR 84.42, the provisions of this section apply.
- (b) *Conflicts prohibited*. No persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to activities assisted with HOME funds or who are in a position to participate in a decision-making process or gain inside information with regard to these activities may obtain a financial interest or financial

benefit from a HOME-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to the HOME-assisted activity, or the proceeds from such activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter. Immediate family ties include (whether by blood, marriage or adoption) the spouse, parent (including a stepparent), child (including a stepchild), brother, sister (including a stepbrother or stepsister), grandparent, grandchild, and in-laws of a covered person.

(c) *Persons covered.* The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the PA, State recipient, or Subrecipient which are receiving HOME funds.

(d) *Exceptions: Threshold requirements.* Upon the written request of the PJ, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME Investment Partnerships Program and the effective and efficient administration of the PJ's program or project. An exception may be considered only after the PJ has provided the following:

1. A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
2. An opinion of the PJ's or State recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(e) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the PJ has satisfactorily met the requirements of paragraph (d) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

1. Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;
2. Whether the person affected is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
3. Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision making process with respect to the specific assisted activity in question;
4. Whether the interest or benefit was present before the affected person was in a position as described in paragraph (c) of this section;
5. Whether undue hardship will result either to the PJ or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
6. Any other relevant considerations.

(f) *Owners and developers.*

1. No owner, developer, or sponsor of a project assisted with HOME funds (or officer, employee, agent, elected or appointed official, or consultant of the owner, developer, or sponsor or immediate family member or immediate family member of an officer, employee, agent, elected or appointed official, or consultant of the owner, developer, or sponsor) whether private, for-profit or nonprofit (including a CHDO when acting as an owner, developer, or sponsor) may occupy a HOME-assisted affordable housing unit in a project during the required period of affordability specified in §92.252(e) or §92.254(a)(4). This provision does not apply to an individual who receives HOME funds to acquire or rehabilitate his or her principal residence or to an employee or agent of the owner or developer of a rental housing project who occupies a housing unit as the project manager or maintenance worker.
2. *Exceptions.* Upon written request of a housing owner or developer, the PJ (or State recipient, if authorized by the state PJ may grant an exception to the provisions of paragraph (f)(1) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME program and the effective and efficient administration of the owner's or developer's HOME-assisted project. In determining whether to grant a requested exception, the PJ shall consider the following factors:
